2017 PWMN Rutland Rally - Medbourne 23rd - 25th June

Rally Options list

While there are sections of our rallies that are of necessity regimented, there are plenty of opportunities for 'doing your own thing' over the course of the weekend. Listed on the attached document are a sequence of options centred around stopping points, some of which may suit you, while others won't. If the latter is the case then there are plenty of opportunities, either prior to, or during the tours to find alternatives to those suggested here.

The purpose of this options list is to pin-down numbers of takers, together with their food selections to enable the venues concerned to plan-in-advance of our arrival while also collecting the monies concerned, as in all cases (bar the boat trip) the venues require payment before the event.

Please either email or post to me (asap) the attached form indicating your choices while sending funds either via PayPal to chris@prewarminor.com, a cheque payable to C.D. Lambert (not PWMN or Pre-war Minor Network) or via electronic transfer (bank details supplied upon request).

Thank you in advance and we are very much looking forward to meeting up with everyone at the end of June.
